Notes

The centered and balanced focus of the design symbolizes mental health balance, the end goal of Danie’s services.

1

This text will be about Danie’s experience and practice or a quote. The image will help reinforce the words. This could be a rotating text/image if so desired.

2

This will be the latest article Danie has written. The first couple of lines will be from the article to entice the reader to continue on to the article.

3

We can add accreditations or futher agreements that are pertinent to her business here.
